

# Climate Solutions

**Earth Share of Washington** is a nonprofit federation of Washington State's leading environmental groups. It raises funds for its members through voluntary payroll deductions and workplace giving campaigns throughout Washington State.

Find out about Earth Share of Washington from your company's personnel office and designate Climate Solutions to receive a single gift or a small sum each pay period. Send us a copy of your pledge form telling us that you want your donation to qualify you for membership.

### **Donate Through Workplace Giving Campaigns**

One of the simplest ways to donate to the Climate Solutions is by contributing through Earth Share of Washington during your workplace charity giving campaign.

By contributing to Climate Solutions through Earth Share of Washington, you may pledge that a specific amount of each paycheck (or a one-time sum) be automatically deducted to support Climate Solutions.

You can find Climate Solutions listed under Earth Share on your payroll pledge form or giving catalog. Visit Earth Share of Washington ([www.esw.org](http://www.esw.org)) for a complete list of participating companies.

### **Giving as a state employee**

As a member of Earth Share, Climate Solutions participates in the state workplace giving campaigns. If you are a Washington State employee, and would like to give to Climate Solutions through the Combined Fund Drive, please enter our code number located in your workplace giving directory on the pledge form.

### **Giving as a county, city or other government employee**

Earth Share of Washington also participates in several county, city and school district workplace giving campaigns. You can find Climate Solutions listed under Earth Share on your payroll pledge form or giving catalog. Visit Earth Share of Washington ([www.esw.org](http://www.esw.org)) for a complete listing of participating workplaces

### **Giving through United Way Campaigns**

If Earth Share is not yet listed by your employer in its workplace giving campaign, you can designate Climate Solutions in the "Specific Organization" or "donor option" section of your United Way pledge form. Ask your campaign coordinator if this is not clear.
